Skills

Technical skills:

- Oses : Z/os, Unix (Aix, Solaris, SCO, HP-UX), Linux (Ubuntu, Red Hat, Mandrake), Windows.
- z/OS : HCD, SMP/E, WLM, MSM, ZOSMF, HSM, SMS, CICS, DB2
- Sysplex : Parallel Sysplex, XCF, GDPS, STP...
- Security : RACF, TSS
- Workload sched. : TWS, CA-Scheduler, CA7
- Supervision : Sysview, Mainview, Omegamon, Nagios
- Middleware : Websphere MQ, CFT & Copilot, Sentinel, MQ Explorer, CICS, HTTP
- Storage : SMS et HSM, HSC/ELS, TLMS, CA1, CTRL-T, SAN, NAS
- Hardware : EMC, HITACHI, IBM DSxxxx, STK/SUN/Oracle
- Networking : SNA et TCP/IP : LDAP / VPN / FTP, HTTP, SMTP, SNMP ...
- Languages : JCL, REXX, C, CLIST, COBOL, EASYTRIEVE, Perl, Shell, assembly 370, Z80, script shell, auto IT
- Printing : AFP/PCL/PS/PJL - CA SPOOL, DISPATCH, LRS, Mapping
- SGBD : DB2, Outils Platinum, VSAM, DATACOM, Mysql

Functional skills:

- Projet management : Ressources management (actions plan, capacity)
: Project stakeholder's coordination and communication
: Risc Management (preventive and corrective actions)
: Reporting (Steering Comity animation)
: Crisis management (communication, action plan)
: Implementation, process/procedures follow-up, KPI et SLA
- ITIL : ITIL 2011 Foundation certification

Experience

Since August 2016 – ProZ/Inside

Flow Technical Expert pour **La Banque Postale**

Mainframe flow administration. Management and evolution of all mainframe technical interfaces (MQ, CFT...).

November 2015 to July 2016 - SOGETI

Technical Expert pour **Airbus**

Impact analysis of any Mainframe change, interface with infrastructure (IN) team, communication to users. Interface with Monitoring Teams. CTRL-M Administration

December 2014 to November 2015 - Capgemini / SOGETI

Senior consultant for **Capgemini** for client **Airbus**

ACC (Aircraft Configuration Control) Mainframe Application : MSN Switch from de 4 to 5 digits. Core-Business application, multiples business interfaces. Migration's environments build-up and deploy : Developpement of the application deployment tool (REXX/ISPF)

August 2014 to November 2014 - CA Tech. / SOGETI

Senior consultant for **CA Technologies** for client **BP2I**

Software rationalization project : migration of LRS products (VPS, DRS, VMCF) to CA SPOOL solution : insurance environment (Cardif) of BNP Paribas group.

August 2014 to November 2014 - CA Tech. / SOGETI

Senior consultant for **CA Technologies** for client **Casino I.T.**

Technical expertise et help on a global software migration for all CA products (Datacom, CCS, Dispatch, TLMS, TSS, Scheduler, Jars Optimizer, JCL Check, Librarian...). Réquisits for z/OS 1.13 migration

April 2014 to August 2014 – SOGETI

Change Manager for **Airbus Helicopters**.

RUN (change) manager : change & issue management, actions coordination on a multi techno bundle, interface with Airbus Helicopters : English communication.

November 2013 to March 2014 – SOGETI

Project Manager for **Airbus**.

Project manager on a 2nd Microsoft Sharepoint 2013 farm implementation (SFS+ project). Planning, project management, actions coordination, interface with Airbus : English communication.

March 2013 to November 2013 – CA Tech. / SOGETI

Technical expert for **La Banque Postale**.

Installation and roll-out of CA technologies' supervision solutions at the customer's replacing a concurrent's solution. Delivery and coordination of the migration's actions: interface between customer (LBP) and editor (CA)

May 2012 à March 2013 - **SOGETI**

Project Manager for **Thales Alenia Space**.

Functionnal project manager on a Notes to Exchange mailer migration. International scope : France, Belgium, Spain, Italy. Management and roll out of the projet. Interface with provider Thales Group. Service Manager on the mailing support package

January 2011 to April 2012 - **SOGETI**

IT flow management for **La Banque Postale**.

Administration of the data exchange products : Websphere MQ, CFT, Sentinel, A&P. Supervision MQ/Nagios. Build of SLAs for the data exchange service. MQ Explorer roll out. Integration of the ENSEIGNE IT into the LBP IT. Writting of a combined delivery. Team training

Juiy 2008 to December 2010 - **SOGETI**

Mainframe System Engineer

Part of Sogeti's Mainframe's Expert Center's Package in Toulouse pour **La Banque Postale**: Z technical Maintenance, Studies, management of technical evolutions. Responsible for technology watch : monthly publication, member of GUIDE MVS. Service Manager's backup.

Additional interventions: migration of CFT 263, COBOL 4.2 upgrade for GIE **AGIRC-ARRCO**. Software Audit for DNSCE. Storage administrator for **Air France**

January 2007 to July 2008 - **Groupe CASINO**

Production and System Engineer

Melting of both System and Production teams. On top of the technical projects management, Production's recurrent work and concerned infrastructures. Change to the ITIL model.

January 2001 to January 2007 - **Groupe CASINO**

System Engineer and Project Manager

Leading of entreprise's project : Printing recast, Integration of Monoprix's IT, USS implementation, Parallel Sysplex, OS Migrations (2.10, 1.4, 1.7)

January 1998 to January 2001 - **La Redoute**

System Engineer

Installation and maintenance of system and products. Definition and follow-up of the hard+soft configuration. Technology watch. Storage management : Administration of HSM/SMS

July 1996 to January 1998 - **La Redoute**

Production operator

Production surpervision : system, applications, networks on OS/390 heterogenous (Unix, WinNT) environnements. Issues management. Interventions on site for maintenances (time change)

January 1995 à July 1996 - **Caisse d'Epargne CTR Nord Est**

Programmer

Production Automation on an MVS environnement. REXX programming, Batch and TP.

March 1994 à December 1994 - Préfecture de la Marne

Employement Coordinator

As national service national : information to entreprises of specific measures, public reception, implementation and follow up of administrative files

Training

2014 : ITIL 2011 edition Foundation Certification (3d)
2013 : Basilpaterson College of English (Edinburgh) (8d)
2012 : Alpha College of English (Dublin) (8d)
2011 : IBM Websphere MQ Administration I (4d)
2009 : Projet Management Basics - Avenir Conseil (3d)

2008 : News z/OS 1.9 (1d)
2007 : ITIL - Fondation (5d) : ITIL Certification
2007 : News z/OS 1.7 (3d)
2006 : PSF : AFP Principles (3d)
2005 : Mapping Printing services Administration (3d)
2004 : Web Enablement for Linux Z (Workshop) (5d)
2003 : News z/OS 1.4 (3d)
2002 : WLM : Goal Mode and Performance Management (5d)
2002 : Unix Administration (3d)
2001 : HCD : Hardware Configuration Definition (3d)
2000 : SMP/E Installation (4d)
1999 : MVS : Implementation (5d)
1998 : SMS : Implementation and Administration (5d)
1998 : HSM : Aimplementation and Administration (5d)
1997 : MVS : Initiation (5d)
1997 : VSAM et AMS (3d)
1996 : SNA et VTAM Networks : Basics (3d)
1996 : JCL et Utilities (3d)

Training as trainer

With Global Knowledge :

Workshop SMP/E for z/OS

IBM WebSphere MQ V7 for z/OS : System Administration

IBM z/OS Job Control Language (JCL) & Utilies

z/OS System Services Structure

With CA technologies :

CA MIM Ressource sharing administration

CA Workload Automation CA7 administration

School

1993 : H.N.D : IT

1990 : A level in Science with honours

Languages

English : Fluent (C2 Level Certificate)

Deutsch : Schule Erinnerungen
